Appendix

The following map shows how different removal techniques overlap at our research site. We used this map to determine where to collect data for the most interesting variety of removal “cocktails.” A key showing what removal methods the colors represent follows the map.
- 2010 Controlled Burn Units
- 2009 Mechanical Broom Control
- 2009 Chemical Broom Control
- 2007-2009 Broadcast Application (Herbicide)
- 2008 Mowed
- 2009 Controlled Burn Units
- 2009 Spotsprayed (Herbicide)
- 2008 Handpulled
- 2008 Controlled Burn
- 2008 Brushcut
A Study of Broom Removal Methods
